## Novice High 2? What's that?

**It's our GOAL!**

Being a Novice High speaker, writer, listener, and reader means that you can understand and say a LOT!

<b>You can</b>	<b>You can begin to...</b>	<b>You WILL...</b>
ask and answer simple questions about familiar topics	handle short conversations on a variety of topics that are familiar or interesting to you	make mistakes! It's a normal part of learning a new language (P.S. I will make them too!)
Talk about likes & dislikes Express your preferences & needs Describe things and people		

**By the end of the year, you can...**

...write briefly about most familiar topics and present information using a series of simple sentences.

...participate in conversations on a number of familiar topics using simple sentences. You can handle short social interactions in everyday situations by asking and answering simple questions.

...understand the main idea in short, simple messages and presentations on familiar. You can understand the main idea of simple conversations that you overhear.

...present information on most familiar topics using a series of simple sentences.

...understand the main idea of short and simple texts when the topic is familiar.

...pretty cool, huh?

So...what are we going to learn about?

*Storytelling*

*Ok...but what are we actually going to DO?*

We'll play games, tell stories, draw silly pictures, read stories, listen (and dance) to music, have conversations, make graphs, learn about new cultures, show off in French, and have fun while learning a new language!

Get ready for our journey!
